

# Image Consent Form

Name of child: \_\_\_\_\_

We regularly take photographs/videos of children at our nursery/school. These may be used in our nursery/school prospectus, in other printed publications, on our nursery/school website, or in nursery/school displays.

Occasionally, our nursery/school may be visited by the media who will take photographs/videos of an event or to celebrate a particular achievement. These may then appear in local or national newspapers, websites or on televised news programmes.

In order that we can protect your child's interests, and to comply with the Data Protection Act (1998), **please read and then answer questions 1-5 below. Please sign, date and return the completed form (one for each child) to school office as soon as possible.**

**(Please Circle)**

1. May we use your child's photograph in printed nursery/school publications and for display purposes? Yes / No
2. May we use your child's image on our nursery/school website? Yes / No
3. May we record your child on video? Yes / No
4. May we allow your child to appear in the media as part of the nursery/school's involvement in an event? Yes / No
5. May we allow your child (*Nursery/Reception only*) to be photographed to possibly appear in the Bournemouth Echo First Class and Nativity Supplement? Yes / No

*Please note no personal information and/or identification of any pupil other than their first name may be contained in a nursery/school website and we take care to protect the identity of pupils: where a photograph is used, the name will not, and vice versa. Please also note that websites can be viewed throughout the world and not just in the United Kingdom where UK law applies.*

**As the child's parents/guardian, we agree that if we take photographs or video recordings of our child/ren which include other pupils, we will use these for personal and family use only.** I/we understand that where consent has not been obtained from the other parents for any other use, we would be in breach of the Data Protection Act 1998 if we used our recordings for any wider purpose

**I have read and understand the conditions of use attached to this form.**
