## Key Questions

What is a password and why should we keep them safe?

A password is a secret word or phrase that allows a user to access a website. Passwords are like toothbrushes in that they should not be shared with anyone else.

What is a digital avatar?

In Purple Mash an avatar is a picture you create in the software to represent you. It is safer to use an avatar on the internet than have a picture of yourself.

Where is my work stored on Purple Mash?

In Purple Mash most of the work you save will be saved in the My Work section of Purple Mash. The only person that can see this work is the teacher and you.
