

P.E. Fun - Year Two - Summer 1

We would like to share the skills that we have been learning in P.E. this half term. Please talk to your child about the skills below and ask them to show you what they have learnt. You will be amazed!
We would love to see your findings on tapestry.

Fielding Skills

We have practised our throwing and catching skills for fielding games e.g. cricket. We have practised our underarm and overarm throwing. What are the skills for these?

We have practised catching with one and two hands.

Striking Skills

We have practised using a cricket bat to strike a ball. We thought about how to hold and use the bat safely.

We have enjoyed playing different cricket games that practise our striking and fielding skills.

Gymnastics

Rolls

We learnt the skills to perform a controlled egg roll, a shoulder roll (side roll to knee) and a teddy bear roll. Can you show these skills?

Travelling

We travelled in a variety of ways and thought about how to change the direction, level and speed of these movements.

Sequences

We practised linking all our skills (balances, jumps and rolls) and travelling movements together to create a sequence. We thought about performing a clear starting and finishing point.
