

P.E. Fun - Reception Summer 2

We would like to share the skills that we have been learning in P.E. this half term. Please talk to your child about the skills below and ask them to show you what they have learnt. You will be amazed!
We would love to see your findings on tapestry.

Playing games

We have enjoyed playing different games e.g. traffic, lights, stuck in the mud, sharks and fishes. We had to listen to the instructions carefully and play cooperatively.

Running

We have practised our running skills. We have learnt how to run in a straight line and we can safely use and find a space independently.

Jumping

We have practised our jumping skills. We can jump and land with two feet and we can keep our bodies straight. We can perform a bunny hop.

Daily PE Challenge

We have continued with our daily PE challenge. Each week we have a daily one minute challenge e.g. jumping jacks, arm lifts. Can you join in with our challenges?

Sports Week - week beg 5th July

During sports week we will have our 'sports day' afternoon. We are looking forward to using our amazing skills. We will complete an obstacle course, races, tennis skills, striking skills and throwing skills. Which team will win?
Will it be red, blue, yellow or green?

We are also going to take part in different PE activities during the week.
