

# P.E. Fun - Year 2 Summer 2

We would like to share the skills that we have been learning in P.E. this half term. Please talk to your child about the skills below and ask them to show you what they have learnt. You will be amazed!  
We would love to see your findings on tapestry.

## Dance

We have used our dance skills to create a rainforest dance.

Actions - we have thought about glide, swoop and leap.

Space - we have travelled at different levels

Relationships - we have worked on our own, in pairs and small groups.

## Running

We have practised our running skills. We can travel at different speeds and we can travel in different directions.

## Jumping

We have learnt how to perform a variety of jumps e.g. two feet to one foot and one foot to the same foot.

## Daily PE Challenge

We have continued with our daily PE challenge. Each week we have a daily one minute challenge e.g. jumping jacks, arm lifts. Can you join in with our challenges?

## Sports Week - week beg 5<sup>th</sup> July

During sports week we will have our 'sports day' afternoon. We are looking forward to using our amazing skills. We will complete an obstacle course, races, tennis skills, sack races, and throwing skills. Which team will win?

Will it be red, blue, yellow or green?

We are also going to take part in different PE activities during the week.
